For years I knew more about prayer than I ever practised. Most of us feel a niggling guilt at not 'praying enough'. *"Prayer takes time and stillness- and we are SO BUSY*! " We know about God but rarely experience His presence in our lives. To me God seemed lofty, I expected to stand under His judgement and I obeyed His commandments. But one thing was lacking. An understanding of the close relationship GOD desires to have with US.

Don't be too busy to Pray. We are too busy NOT to pray. By Bill Hybels
